HINDU NEWS - Hindu Endowments Board

"The web must be useful to our devotees Besides, they should also get to know why a certain ritual like a homam should be performed and whether such a service is available on a particular day and time It should create total transparency of all our daily routines"

Respecting the Religious and Cultural needs of patients.

They may have special rituals to mark the various stages of life Particular attention must be paid to dietary requirements and all aspects of food preparation must be respected Special arrangements may need to be made to accommodate individual's needs When people of different religious and cultural backgrounds meet each other, they may gain new perspectives on life or recall forgotten

Religious And Cultural Beliefs

The patient asks "Why me?" • Sense of the absence of God/ loss of faith/ giving up on religion • Anger towards God/ religion/clergy and religious institutions • Sense of deep-seated guilt or shame • Unresolved feelings about death In such cases it may be appropriate to involve a chaplain who can talk to the patient and refer on as required What Is Religion? Religion is a
